

THE COUNTRY COTTAGE HOTEL & COURTYARD RESTAURANT

A comfortable, professional venue for funeral teas & wakes.

We understand how difficult the loss of a loved one can be and we can help your family through this painful time by offering an affordable alternative to catering for funeral guests at home.

With a long experience of hosting wakes, we have created a relaxed, homely environment, and our sympathetic, approachable staff are on hand to assist you at all stages. Our main restaurant can seat up to 100 people and will accommodate 200 for a buffet, whilst our smaller restaurant is perfect for smaller gatherings of 30 and below. The hotel also has 22 en suite bedrooms to accommodate your guests travelling from further afield. We are happy to offer a discounted rate for guests attending a funeral with us.

With Wilford Hill crematorium only 10 minutes away the Country Cottage is the ideal venue for your funeral wake. Please give us a call, and be assured we will take care of all the necessary arrangements.
